- **Not eligible:** If you have a Level 4 qualification or higher

How much will it cost?

Only applies to 19+:

- £150 exam & registration.
- Fees are continuously being reviewed

What do you have to do as an apprentice?

- You must have a contract of employment
- You must work a minimum of 30 hours per week although we advise that a full time role will improve your knowledge and workplace experience and help towards your qualification

How much time will you have to spend in College?

- You will spend a maximum of 1 day per week in college, the rest of your time will be spent gaining valuable experience in the workplace as a part of a normal working week

What paperwork is involved in order to enrol a learner on the apprenticeship?

- The assessor will visit the workplace to complete an enrolment form and a sign up pack with you and your employer
- 12 weekly reviews will take place with you, your employer and assessor, in the workplace

What levels are apprenticeships offered at?

- These are offered at L2 (Intermediate Apprenticeship) and L3 (Advanced Apprenticeships)
- There is also the option of L4 (Higher Apprenticeships)
