2011-12 Employer Responsive: Workplace Fees

Definition of Workplace Learning

Workplace learning is defined as:

1. Any learning aim predominantly delivered within the work place and in connection with the learner's occupation or employer's business
 2. An Apprenticeship Framework (all levels)
 3. Basic Skills in Literacy and Numeracy delivered to an employed learner supported^[1] by their employer.
- ^[1] 'supported' meaning paid time off work, access to learning during working time or delivered in the employer's premises in work time
